Subject: Placement Drive Notice of Juspay for B Tech (All streams) students passing out in 2027, Last date to register is 14th June

Placement Drive Notification – Juspay (2027 Batch)

Dear Students,

This is to announce a placement opportunity with **Juspay**, one of the world's leading payments technology companies, for the **2027 Passing Out Batch**.

Juspay powers payment infrastructure for over 500 global enterprises and banks, processing more than 300 million transactions daily with industry-leading reliability. The company operates across India, Dubai, Dublin, San Francisco, São Paulo, and Singapore, providing cutting-edge solutions in digital payments and financial technology.

Company Name: Juspay

Industry: FinTech / Payments Technology
Headquarters: Bengaluru, India
Global Presence: Dubai, Dublin, San Francisco, São Paulo, and Singapore

Position Offered - Software Development Engineer (SDE)

Eligibility – B Tech (All Branches), 2027 Passing Out Batch who have strong programming skills, problem-solving abilities, and an interest in software development.

Compensation Package

CTC: ₹27,00,000 per annum

Selection Process - The recruitment process may vary depending on the number of applicants and business requirements.

Stage 1: Written & Online Assessment (On-Campus)

- One MCQ Round (Pen & Paper)

- Two Online Assessment Rounds

Stage 2: Technical Interview (Eliminatory)

- Conducted Online
- Assessment Areas:
 - Data Structures & Algorithms (DSA)
 - Computer Science Fundamentals
 - Problem-Solving Skills

Stage 3: Hackathon (One-Day Event)

- Hands-on coding challenge
- Real-world problem-solving exercise
- Evaluation of coding, analytical, and engineering capabilities

Stage 4: Final Interview

- Technical Assessment
- Cultural Fit Evaluation
- Overall performance review

Important Note

Depending on the number of shortlisted candidates, Juspay may combine certain stages of the selection process (Rounds 2, 3 & 4 or Rounds 3 & 4) and invite candidates directly for an in-person evaluation.

Registration Process - Interested students are required to register on the given link.

Registration Link - <https://forms.gle/NKXCRXbr17WAhS9m9>

Last date to register is 14th June

Why Join Juspay?

- Work on systems processing over 300 million transactions daily.
- Opportunity to contribute to products used by leading global enterprises and banks.
- Exposure to large-scale distributed systems and payment technologies.
- Learn from some of the best engineers in the FinTech ecosystem.
- Competitive compensation and accelerated career growth.

Students interested in pursuing a career in product engineering, software development, and large-scale technology systems are strongly encouraged to participate in this prestigious recruitment opportunity.

All the Best
